## About Maui Center for Child Development

Opened in 2003 by Occupational Therapist Kiegan Blake, Maui Center for Child Development has carved out a unique niche in Hawaii. We are known throughout the islands for **creating results with our highly specialized therapies, state of the art equipment & expert staff**. We have helped hundreds of families find solutions!

This summer, we will be offering innovative, fun and effective classes that address specific behaviors, challenges or areas of need for children and their families. Our occupational and speech therapists prepare children for school success by engaging them with a refreshing approach to Reading & Writing Classes. Communication and friendship skills will flourish in our selection of Social Skills Groups, including Siblings Groups, a Support Group for Siblings of Children with Special Needs as well as Customized Groups for kids on the autism spectrum. Active kids learn to calm their bodies and self-regulate in our popular Alert Program.

Throughout the year MCCD continues to offer trainings, assessments and individual therapies, as outlined below.

*"...the therapy with our family changed our lives. They gave us the answers we needed and practical solutions...I attribute our family's fantastic success to the services we received and the skills we learned." A Maui Mom*
